

ONE DAY WORKSHOP ON “ADVANCED RESEARCH METHODOLOGY”

Activity Report

7th April, 2022

This is an activity report of One Day workshop on “Research Methodology”. The main purpose of workshop is to create a forum for appraising the profusion research work carried by using advanced research techniques, methods and tools in management stream.

ACTIVITY REPORT OF ONE DAY STATE LEVEL WORKSHOP ON “RESEARCH METHODOLOGY”

Name of the event	One Day workshop on “Research Methodology”
Day and Date	7th April,2022
Time	9:30 am to 6:30pm
Venue	JSIMR, Seminar Hall
Resource Persons	1. Dr. Vijay Dhole, Professor, Dean Academics, SIBAR, Pune
	2. Dr. Lalit Prasad, Associate Professor, DYPIMS, Pune
Event Coordinator	Prof. Umesh Nath

About Workshop:

The management education in the country has made a phenomenal growth in the last three decades. Liberalisation of the Indian economy during the early 90’s and the internet-led globalisation during the later part of the last decade has posed a number of challenges that demand advanced managerial & research skills. With an acquisition of these skills, faculty are pillars to impart updated skills set among students making them employable possessing skills highly demanded by industry. Thus, in the era of disruption and upcoming enormous changes, challenges in the life of people, the business industry expects a lot of analysis and research to take appropriate decisions. To achieve these requirements from stakeholders, the faculty should upgrade their existing knowledge, skills sets required to conduct research and interact with each other for learning the latest research analytical tools. The high quality research work is demanded by regulatory authorities to create innovative ecosystem in the field of education.

JSPM's
JAYAWANTRAO SAWANT INSTITUTE OF MANAGEMENT & RESEARCH
HADAPSAR, PUNE

(Academic Year: 2021-22)

The Purpose of workshop is to provide a platform to academia, industry and practitioners for continuous and sustained growth and development through a mutual sharing of experiences, expertise, knowledge and skills through interactive learning methods. The workshop will create a forum for appraising the profusion research work carried by using advanced research techniques, methods and tools in management and other streams. This workshop will cover a good range of topics including Basics of Research, Research Design and Data Analysis using SPSS. Factor Analysis using SPSS, Confirmatory Factor Analysis using AMOS, Introduction of Structure Equation modelling using AMOS, How to write & publish research work in reputed journals and so on.

Objectives of Workshop:

- 1) To create a forum for appraising the profusion research work carried by using advanced research techniques, methods and tools in management stream.
- 2) To enhance and upgrade the skill, knowledge and analytical abilities by learning the various techniques and methods in conducting research work.

Who should attend?

- ✓ **Research Scholars**
- ✓ **Faculty Members who are teaching** Research Methods, Qualitative Research Methods, Research Methodology Marketing Research, Operation Research etc.
- ✓ **Industry Delegates/Professionals:** Industry delegates (Executives/Scientists) working in R& D Department, BI, MIS, Market Research Departments etc.

Workshop Highlights:

- ✓ **Renowned experts in area of Research from Academia & Industry**
- ✓ **Practical Sessions**
- ✓ **Participative Learning**
- ✓ **Questions & Answers Sessions**
- ✓ **Demonstrations & Practical Lab Orientation**
- ✓ **Practical Training during Workshop**
- ✓ **Practical Tips and Keys to write Research work**

Key Points to be covered in workshop:

- Basics of Research, Research Design
- Data Analysis using SPSS and interpreting the derived outcomes from the applied tests
- Factor Analysis using SPSS
- Confirmatory Factor Analysis using AMOS
- Introduction of Structure Equation modelling using AMOS
- Analysis by using of R
- Practical Tips and Keys to write Research work for reputed journals such ABDC Listed journals, UGC Listed journals, Peer Double Blind Review journals across the gamut
- Demonstrate the mechanism to check citation and indexing of paper

Dr. Vijay Dhole delivering session on Writing Quality Research papers

The morning session was conducted by Dr. Vijay Dhole. In his module, he discussed about the publishing research work in reputed journals & experience sharing with paper discussion. He has shared his personal paper writing example. Further in his session, he has enlightened on the topics Qualitative & Quantitative Research, Sampling Design, Levels of Measurement, Reliability & Validity. He has taken participation of participants in empowering the concepts of good research writing. The session was a blend of role play, activities and participation.

The afternoon session was conducted by Dr. Lalit Prasad, Research Methodology. He delivered a practical session on topics: Advanced Research Methodology: Anova, Exploratory Factor Analysis using SPSS tool, Confirmatory Factor Analysis, Introduction of Structure Equation Modelling using AMOS.

Major Outcomes from this Workshop

- To understand about Research Methodology
- To Understand about Scholarly Writing
- To apply research design in conducting Research work.
- To use SPSS and AMOS Software for Data Analysis.
- To know the advanced research methodology and its application of research work publication
- To create a platform for interaction amongst the researchers and faculty members on one platform.

Annexure:

1 Day Workshop Schedule		
DAY–Thursday, 7 th April,2022 (9.30 am to 6.00 pm)		
Particulars of Schedule	Time	Resource Persons
Registration, Tea & Breakfast	9.00am to 9. 45am	
Inaugural Function & Key Note Address	9.45 am to 10.45am	Dr. Vijay Dhole
Panel Discussion on Scholarly Writing and Interaction (Experts & Selected Ph.D. Participants)	10.45 am to 11.30 am	
How to write & publish research work in reputed journals and conferences	11.30 am to 12.30pm	Dr. Vijay Dhole
Introduction to basics of Research Methodology	12.30 pm to 1.00 pm	
Defining Research Problem		
How to conduct and write Literature Review		
Tips for Scholarly writing and how to avoid errors in research work writing		
Lunch Break	1.00 pm to 1.45 pm	
		Dr. Lalit Prasad
Publishing Research work in reputed journals & experience sharing with paper discussion	1.45 pm to 3.30 am	
Qualitative & Quantitative Research , Sampling Design		
Levels of Measurement		
Scaling Techniques for Qualitative and Quantitative Research		
Reliability a& Validity etc.		
Refreshment & Tea Break	3.30 pm to 3.45 pm	

Advanced Research Methodology : Annova, Exploratory Factor Analysis using SPSS tool	3.45 pm to 5.30 pm	
Confirmatory Factor Analysis		
Introduction of Structure Equation Modelling using AMOS		
Result writing , Interpreting the outcome of tests/Model and putting in to research paper publications		
Valedictory Function and Certificate Distribution	5.30 pm to 6.00 pm	Executive Directors, Campus Directors, Director, JSIMR & Dr Lalit Prasad
Vote of Thanks	6.00 pm to 6.05pm	Prof. Umesh Nath
